Dear Mr. Kattamudi,

Re: Outcome of application to renew CRICOS registration— granted

I refer to your organisation's application to renew its registration under the [Education Services for Overseas Students Act 2000](#) (ESOS Act).

In accordance with the provisions of section 10E of the ESOS Act, the National Vocational Education and Training Regulator (the Regulator) has approved your organisation's application to renew its registration on the *Commonwealth Register of Institutions and Courses for Overseas Students* (CRICOS).

The Regulator is the person appointed to make decisions under the [National Vocational Education and Training Regulator Act 2011](#) (NVR Act), and works as a part of the Australian Skills Quality Authority (ASQA). ASQA's work supports the Regulator in their decision-making.

Maximum Number of Students

The Regulator has considered the capacity of your organisation in terms of its premises, approved arrangements with other providers, facilities, resources, equipment, materials and the ratio of staff to student numbers.

The maximum capacity approved by the Regulator remains as 1514 overseas students.

Conditions on Registration

There are no conditions imposed on your organisation's registration.

Your organisation's CRICOS Code is 02992E. Please quote this CRICOS Code as well as your Registered Training Organisation (RTO) ID number in all future correspondence with ASQA.

Period of Registration

Your organisation has been granted registration for a period of 7 years which commences on 6 February 2026 and is due to expire on 5 February 2033. You will note this expiry date coincides with your organisation's registration as a registered training organisation under the *National Vocational Education and Training Regulator Act 2011*.

Your organisation can apply to ASQA to renew or withdraw its registration, and timeframes and obligations apply to each process. There are also obligations on an organisation that effectively ceases to operate, even though they remain registered as a registered provider. Further information about obligations in these circumstances is available from the ASQA website at www.asqa.gov.au.

Changes to CRICOS Registration

Your organisation must apply to ASQA if it wishes to change its courses registered under the ESOS Act. Information on the process to make changes to your organisation's registration under the ESOS Act is available from the ASQA website at www.asqa.gov.au.

Please note that an application to change your RTO's scope of registration is **not** also an application to vary your CRICOS registration. An application to change your CRICOS registration must be submitted separately.

Maintaining Compliance

During its period of registration your organisation must comply with the:

- [Education Services for Overseas Students Act 2000](#)
- [Education Services for Overseas Students Regulations 2019](#)
- [National Code of Practice for Providers of Education and Training to Overseas Students 2018](#) (National Code 2018).

During the period of its registration, your organisation must also comply with the VET Quality Framework (as defined in the [National Vocational Education and Training Regulator Act 2011](#)) in respect of VET courses and the [ELICOS Standards 2018](#) in respect of ELICOS courses.

Access Documents

Your organisation may also have the right of access to further documents under the *Freedom of Information Act 1982*. More information about Freedom of Information (FOI), including how to make an FOI application, is available via <https://www.asqa.gov.au/about/accountability-and-reporting/freedom-information>.

Further Information and Assistance

If your organisation requires further information or assistance in relation to this matter, please contact ASQA on telephone 1300 701 801 or by email to registration@asqa.gov.au.
